Gordon Arms:

Well known for its Traditional Music & Real Ale, the Gordon Arms will be reopening on 25th March 2016. Check the website (thegordonarms.com) for more information.

Glen Cafe: Good food at reasonable prices in rustic and comfortable surroundings and a great location. A Riders' favourite.

Tibbie Shiels: Hotel & camping accommodation on the shores of St. Mary's loch with traditional pub food and local ales. A famous R&R stop-off.

Don't forget to keep checking the **Tesco Bank Tour o the Borders** website for the next in the series of rides.

On the second in our series of training rides, you'll pass historic Church's, bottomless lochs*, old poets pubs and one of the best salmon rivers in the world. It's a small step up in climbing, but 16kms more in distance, ensuring a challenging day out. Starting & finishing in Innerleithen there's plenty of opportunity to fuel up or refuel at either end of your ride, plus, the Glen Café's a great place to watch the world go by in a very beautiful spot.

Got more time? Why not stay over at the Tibbie Shiels and do the ride the other way round. There's plenty to do in the area and the Tibbie Shiels is a lovely place to stay.

Starting in Innerleithen head south on the B709 passing through Traquair and continuing for a total of around 13.5kms to the Gordon Arms. Turn right here and follow The A708 along the shores of St Marys Loch and on to the Glen Café. Once you've soaked up the surroundings and maybe enjoyed a bite to eat, retrace your route back to Innerleithen.
